To all at St Michael's.

The New Parish of Worthing team has listened to ideas and hopes from across our church communities, and together we have reached a broad consensus on the Vision and Mission Statements below. We'd now love to hear what you think. Do these words capture our hopes for our new parish?

New Parish - Vision Statement: Our vision is to be a vibrant, joyful, Christ-centric Catholic family of communities, where everyone is made welcome. Inspired by God's love and compassion we seek to grow together in faith, nurture each other's talents and care for the vulnerable and marginalised.

New Parish - *Potential* Mission Statements:

Our Prayer Mission: To provide opportunities to deepen our relationship with God through prayer at all stages of life.

Our Formation Mission: To develop and equip all people to grow in faith and become confident disciples knowing and imitating Christ.

Our Outreach Mission: To welcome everyone with joy and create safe places which transform our faith into actions in our churches as well as in the wider society.

Thank you for helping shape the future of our parish. Fr Chris and Gill F
